

OGDENITES TAKING IN NEIGHBORS QUARREL THE SIGHTS AT THE PEACH EVENT OVER A CHICKEN HOUSE

Peach Day at Brigham City today has claimed the attention of the whole northern part of the state and many excursionists have gone to the peach metropolis from Ogden and points below Ogden. Large crowds will leave Ogden this evening, however, when automobiles will depart after business hours.

Ogden will be represented officially by O. J. Stillwell, secretary of the Ogden Publicity bureau. Don E. Crews of the department of agriculture will also visit Brigham from Ogden as he is especially interested in the peach crop at this time.

Special excursion rates are effective on all of the railroads leading to Brigham City and many parties had been reported as passengers up until this afternoon.

At 9 o'clock this morning eight auto loads of newsboys from the Herald-Republican in Salt Lake arrived in Ogden on their way to Brigham City. They sold papers while here and had the business district stirred up over an "extra" on peace, which was based on an extra piece of watermelon the youngsters were promised on landing at the Peach City.

DELAY IN OPENING THE LOCAL GOVERNMENT PEACH BUREAU

Because the trunk which contained his papers and equipment for the new peach bulletin reporting station in Ogden got lost in transport, Don E. Crews of the department of agriculture will not be able to open his office as soon as anticipated. Telegrams have been sent by him to every place where it is possible the trunk might have been delayed. If it does not arrive within a short time he will send to Denver for duplicate equipment.

Mr. Crews said today that this service is costing the government a large amount of money each year and that the average agriculturist does not comprehend its value. He is stimulating interest in the work and expects to get the Weber county farmers and peach growers of the entire intermountain country actively participating. Bulletins will give accurate and absolutely unbiased reports of the peach situation with regard to markets, price and general selling conditions and will thus allow the grower to handle his own crop without accepting the advice of a commission house.

UNITED STATES LOST TRAPS AND CHARGES FOLLOW

Charges of larceny against Joe Beluomini and Opal Anderson were dismissed in the United States court today. Beluomini was charged with the theft of ten steel animal traps and Richardson was charged with the theft of one coyote hide of the value of \$2. The property was owned by the United States. The complaint charging the theft was sworn to by George E. Holman, a United States biological survey man, who discovered the thefts while in the Box Elder county district where the men were. Beluomini is alleged to have taken the traps from Blue Creek valley.

One million eight hundred thousand women are active farmers and gardeners in the United States.

A neighborhood quarrel, dating back several years, occupied the time of the municipal court this morning. Joseph Van Woerkom is the complaining witness and P. Powers is the defendant. In the complaint charging a disturbance of the peace, it is alleged that Powers threatened and quarreled with the complainant and even invited him to fight.

"WHO'S YOUR NEIGHBOR?" COMING SOON

Seldom it is that one hears hisses and cries of "shame" at a motion picture entertainment, but this is a daily occurrence wherever "Who's Your Neighbor?" is shown. The story is a wonderful moral lesson, boldly and fearlessly drawn. Willard Mack is the author and he has provided something well worth while. That was to be expected, for he has become known as a wizard in dramatic playwriting. The play is admirably constructed straight to the point and concise. The scenes are lavish and tasteful. S. Rankin Drew, equally well known, is the director. It has been given a wonderful cast and is presented in the west by the Mammoth Film corporation. What more can you ask.

JAPANESE ORGANIZE LARGE IMPORTING COMPANY

Articles of incorporation of the North American Importing company, a Japanese business concern, were filed today with the county clerk. The capitalization of the company is \$15,000, with 150 shares of the value of \$100 each. There are six incorporators, as follows:

Bert Y. Kaneko, K. Tashima, C. H. Kawaguchi, J. S. Tokunaga (Salt Lake), Y. Tashima and C. Kawaguchi. The company proposes to do a general merchandising business and to engage in importing and exporting goods. The stock is all subscribed among the incorporators. The officers of the company are Bert Y. Kaneko, president; K. Tashima, vice president, and H. C. Kawaguchi, secretary and treasurer.

GOPHER BOUNTY IS A SOURCE OF MUCH REVENUE

Floyd Ririe of Ogden valley has the distinction of being a mighty gopher hunter, for he turned in hides enough today at the courthouse to get \$16.50 as bounty.

He states that, while gopher hunting does not require much courage, yet it takes a lot of skill. Due to the efforts of boys in Ogden valley this year, the gopher and squirrel population has been considerably reduced. The bounty of 5 cents per hide attracted the attention of many youngsters and a large number of the animals have been reported killed. The rodents had caused much damage in the valley with their burrowing and grain eating.

MILE OF PAVING ON 28TH STREET

The Twenty-eighth street paving will be completed in about two weeks. This will add about a mile to the paving in the city. The work on Washington avenue is being rushed, so that it will be completed before frost enters the ground.

With the completion of the work being done now, Ogden will have paved streets that will compare favorably with those of any other city.

The Silk Shop Sale Starts Saturday Morning

Unexpectedly, the Silk Shop has secured for immediate and permanent occupancy one of the finest store rooms in the very center of Ogden's business district. Arrangements were completed today, at noon, for the lease of the building at 2357 Washington avenue. Stock which we have had shipped to Ogden for our branch store has already arrived. So that we may open our new store at once and to clear the way for more goods that are on the way, we will conduct the Silk Shop Sale at this new location, 2357 Washington avenue, before and during the remodeling period.

Great Bargains Quality Goods

The Silk Shop has the reputation in Utah of carrying only quality goods but at such prices that every man and woman can afford to make purchases. In fact, the prices that we are offering are far below those usually found. Come to the new store on Saturday morning—the sale starts at 10 o'clock—and inspect these goods, these prices. You will be delighted with them.

BITTER PACIFISTS ESCAPE PENALTY

HARTFORD, Conn., Sept. 19.—Judgment of not guilty was entered by Judge Edwin C. Dickinson today in the breach of peace cases against Mrs. Annie R. Hale of New York, and Alfred E. Whitehead of this city, who were arrested Sunday after an attack on the president and the war by Mrs. Hale at a meeting of the Hartford branch of the People's Council of America for Democracy and Peace. It was said by the United States district attorney that there was no statute on which the two could be prosecuted.

WORLD'S MARKETS

NEW YORK, Sept. 19.—Vigorous bidding for stocks brought about a quick upturn at the opening today. The strength shown on the first transactions caused a flurry among the shorts, resulting in a rapid extension of gains in the first half hour. Central Leather, Marine preferred, Mexican Petroleum, Smelting, Crucible, Bethlehem Steel B, United States Steel, Republic and Maxwell were marked up 1 to 3 points. Railroad shares were quieter. Reading and Canadian Pacific rose a point each, but Canadian subsequently relaxed two points to a new low figure at \$14.7½.

The dominant influence in the market was the indication of easier conditions in money which encouraged more general buying by speculators. Much was heard as to the probability of an early announcement at Washington regarding steel and copper prices. Weakness in General Motors and Canadian Pacific was followed by a strong rally in these shares. By midday the important stocks were up 1 to 4 points from yesterday's close. Bonds were irregular. Liberty bonds sold at \$99.98 to \$100.

KANSAS CITY LIVESTOCK.
KANSAS CITY, Sept. 19.—HOGS:

MANY SADDENED HEARTS AS OUR BOYS MARCH AWAY

Mothers, sisters and sweethearts bidding the soldiers "Good-bye and Good Luck."

The cheers for the boys on their way to France have hardly been greater than the sympathy for mothers and sweethearts who are bidding them good-bye. So many homes are now feeling the same sorrow. Along the line of march there are always the women watching in pride and tears their sons and brothers march to the front.

Chicago Quotations

CHICAGO, Sept. 19.—Notwithstanding that frost which looked for failure to appear corn today was under depressing conditions. Misgivings that frost was still imminent seemed to have too strong a hold to be dismissed as the bulk of the crop in Kansas and Missouri will not be safe until September 20. Advances, however, were not well maintained. Opening prices, which ranged from 1½¢ to 3½¢ lower at \$1.18 to \$1.18½ for December and \$1.15 to \$1.15½ for May, were followed by a sharp upturn to well above yesterday's finish and then a fresh sag. Oats took the same path as corn. Arrivals here continued light, and shorts were easily stampeded.

Wheat receipts in Chicago showed no material enlargement. Incoming supplies at Minneapolis, though nearly equalled in volume totals at the corresponding time last year. Higher quotations on hogs tended to strengthen provisions. Liberal shipments of fresh meats counted also in favor of the bull side.

Subsequently official announcement was made that no further frosts were in immediate prospect, except light visitations in North Dakota and the Red river valley. Prices of corn weakened, but the effect failed to last. The close was unsettled ¼¢ to ½¢ net high, at \$1.19 to \$1.19½ for December and \$1.15½ to \$1.16 for May.
